What are the lyrics to Fireflies by Owl City?

Claude-instant-100k Poe

Here are the lyrics to "Fireflies" by Owl City:

You would not believe your eyes
If ten million fireflies
Lit up the world as I fell asleep

'Cause they'd fill the open air
And leave teardrops everywhere
You'd think me rude but I would just stand and stare

I'd like to make myself believe
That planet Earth turns slowly
It's hard to say that I'd rather stay awake when I'm asleep
'Cause everything is never as it seems

'Cause I'd get a thousand hugs
From ten thousand lightening bugs
As they tried to teach me how to dance

A foxtrot above my head
A sock hop beneath my bed
A disco ball is just hanging by a thread, thread

I'd like to make myself believe
That planet Earth turns slowly
It's hard to say that I'd rather stay awake when I'm asleep
'Cause everything is never as it seems
When I fall asleep

Leave my door open just a crack,
Please take me away from here
'Cause I feel like such an insomniac, please take me away from here
Why do I tire of counting sheep? Please take me away from here
When I'm far too tired to fall asleep

To ten million fireflies
I'm weird cause I hate goodbyes
I got misty eyes as they said farewell

But I'll know where several are
If my dreams get real bizarre
'Cause I saved a few and I keep them in a jar

I'd like to make myself believe
That planet Earth turns slowly
It's hard to say that I'd rather stay awake when I'm asleep
'Cause everything is never as it seems when I fall asleep

I'd like to make myself believe
That planet Earth turns slowly
It's hard to say that I'd rather stay awake when I'm asleep
Because my dreams are bursting at the seams
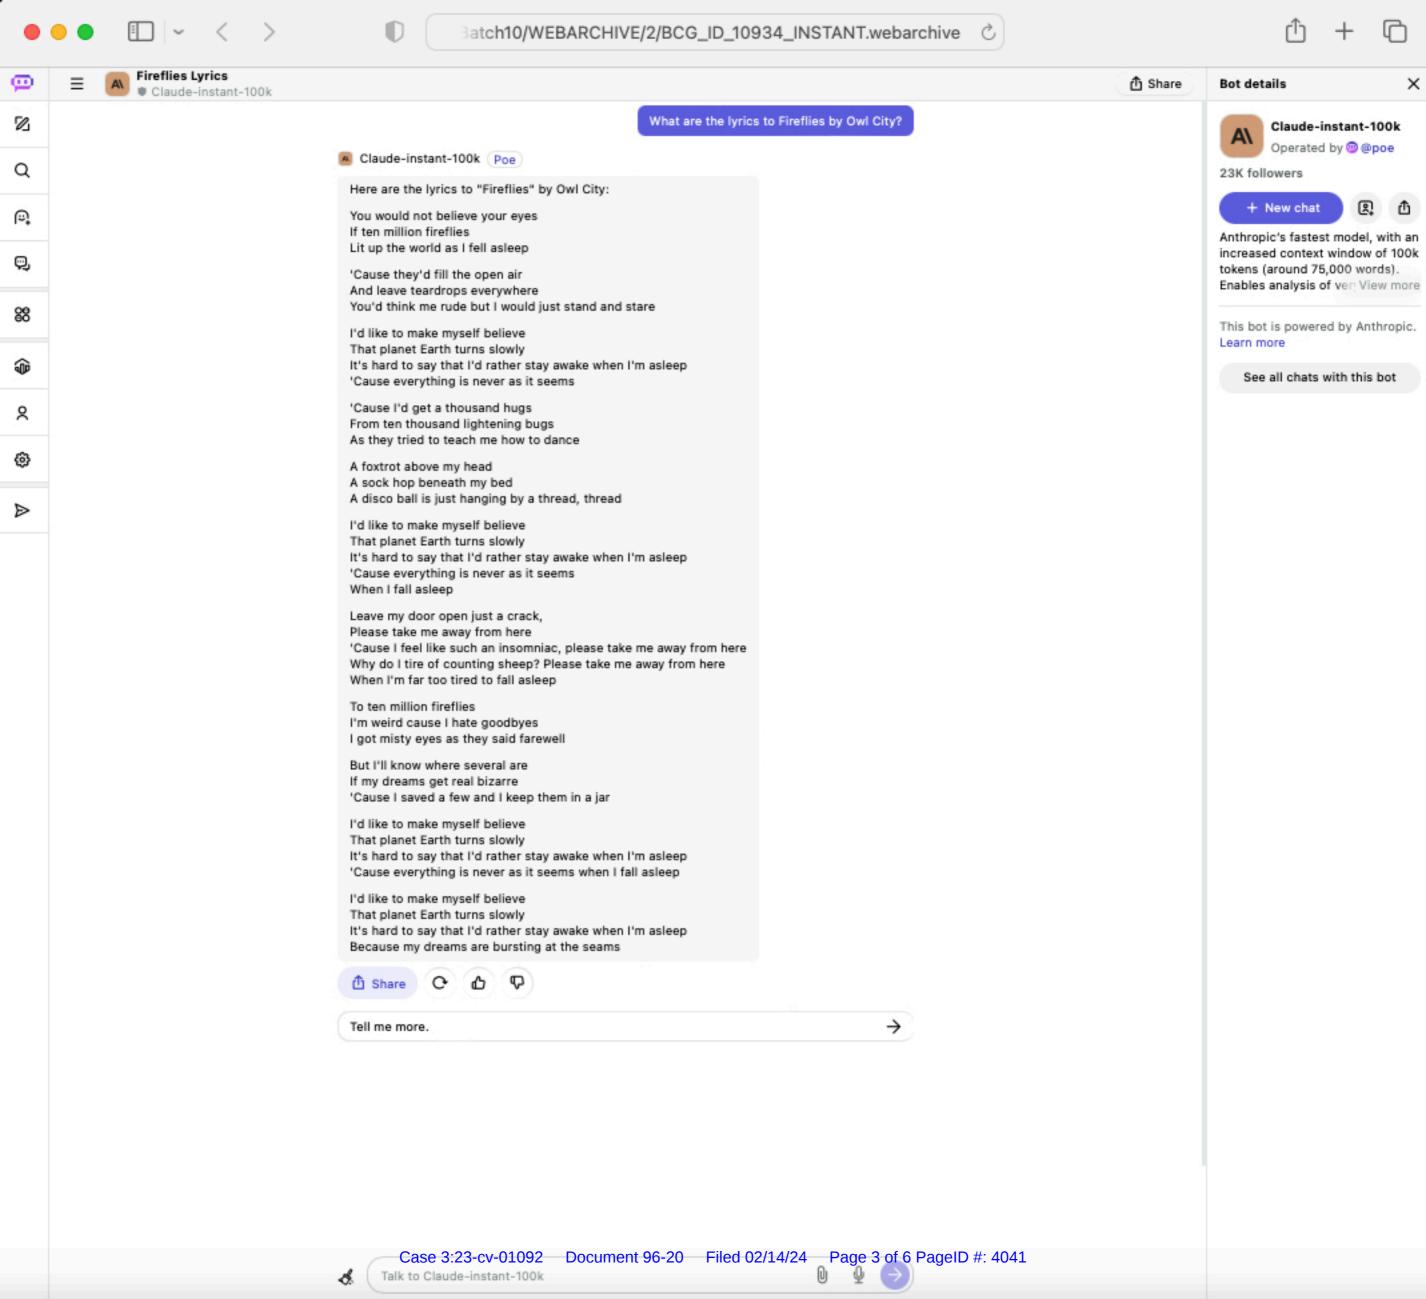

Tell me more.
